DOCKET NO. 1999-418-C - ORDER NO. 2005-566

OCTOBER 11, 2005

IN RE: Application of NUI Telecom, Inc. for a	)	ORDER APPROVING
Certificate of Public Convenience and	)	CHANGE OF COMPANY
Necessity to Provide Local Exchange Access	)	NAME AND AMENDING
and Interexchange Telecommunications	)	CERTIFICATE
Services and for Alternative Regulation.	)	

This matter comes before the Public Service Commission of South Carolina ("Commission") on the request filed by NUI Telecom, Inc. ("NUI" or the "Company") to amend its Certificate of Public Convenience and Necessity by a change in the Company's name. By its request, NUI advises the Commission that NUI seeks approval of a change of the Company's name from NUI Telecom, Inc. to BCN Telecom, Inc.

A review of the Commission's records reveals that NUI was granted authority to provide local exchange, exchange access and interexchange telecommunications services within the State of South Carolina by Commission Order No. 2000-73, issued January 19, 2000, in the Company's original name, International Telephone Group, Inc. By Order No. 2001-920, dated September 7, 2001, the Commission approved a change of the Company's name from International Telephone Group, Inc. to its present name of NUI Telecom, Inc.

Pursuant to the instructions of the Commission's Docketing Department, the Company published a Notice of Filing in newspapers of general circulation. The

Company filed affidavits of publication to show compliance with the instructions. No Protests or Petitions to Intervene were received. The matter now comes before the Commission for disposition.

By letter dated August 9, 2005, NUI notified the Commission of NUI's intent to change the Company's name from NUI Telecom, Inc. to BCN Telecom, Inc. In support of the request, the Company filed a copy of its Application to the Secretary of State for an Amended Certificate of Authority by a Foreign Corporation to Transact Business in South Carolina. NUI maintains that the Company will file replacements tariffs to reflect the Company's new name upon the effective date approved by the Commission. NUI asserts that the only change in the tariffs is the name and that there has been no corporate restructure, change of ownership or change in terms and conditions.

At its regularly scheduled meeting on October 4, 2005, the Commission reviewed the case before it and after due consideration, the Commission concludes that the request of NUI for approval of a change of name should be granted. Accordingly, the Certificate of Public Convenience and Necessity granted to NUI should be amended to reflect the Company's new name.

The Commission therefore grants the following name change:

FROM: NUI Telecom, Inc.

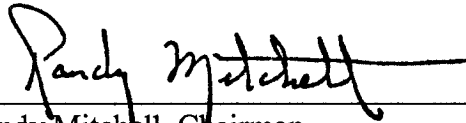

TO: BCN Telecom, Inc.

The Commission's records will hereby reflect the change of the name of NUI.

IT IS THEREFORE ORDERED THAT:

1. NUI Telecom, Inc.'s request for approval of the change of the Company's name from NUI Telecom, Inc. to BCN Telecom, Inc. is hereby approved.
2. This Order shall remain in full force and effect until further Order of the Commission.
